

SIC at Work

- As an SIC this year we supported the efforts put forth by the LDHS Student Council initiating a campaign to stock our Raider Mart to assist students in need. The hope is that we will see growth in our goals that relate to student achievement when we meet the most basic of needs our students have.
- Another initiative we embarked upon was an inaugural MEGA-College tour. We worked alongside our Gear-Up College Specialists to ensure that our entire ninth grade had the opportunity to tour a South Carolina State College or University on February 28. We enlisted chaperones from the SIC and community. The event was designed in hopes of furthering our SIC Student Achievement Goals by inspiring students to aim for a college education.
