

New SIC Handbook Now Available Online

This school year brings a completely revised and updated edition of the SIC Handbook, *This is Your SIC – A Handbook for Effectiveness*. Focusing more on steps SICs should take and procedures they should follow to make an impact on the life of their schools, this Handbook is available for download from the SC-SIC website, <http://sic.sc.gov>. Real-world examples and supplementary resources make this perhaps the most user-friendly Handbook offered by SC-SIC. A limited number of print copies are now being prepared and will soon be circulated to SIC District Contacts, principals, and local SIC officers.
