

Not Updated Your SIC Membership Yet? You Can Still Do So!

The statutory deadline to report School Improvement Council membership for the current school year to the online SC-SIC Member Network was November 15. Fear not – if your SIC has not yet reported your information, you can still do so!

When a school principal or his/her designee reports SIC member information, we ask for the name, type of position on the SIC, and various contact information such as email address, mailing address, and phone numbers. Reporting your SIC's membership information through the Member Network in a timely fashion is not just a requirement of state law but provides SC-SIC with the information necessary to keep in contact with SIC members across the state throughout the year. This helps the SC-SIC office share news and important updates impacting SIC members' roles and responsibilities.

If they have not already done so, account users will have to update their log-in and password information for the current school year. Directions for this are available on the SC-SIC Member Network site accessible through <http://sic.sc.gov>, or by contacting SC-SIC Digital and Web Director Claudia Parnell by email at cparnell@mailbox.sc.edu.
