SC-SIC Member Network Reset July 1 for 2014-15 School Year

The online SC-SIC Member Network was reset on July 1 to enable local SICs to begin reporting their membership information for the 2014-15 school year. Those accessing the Network (whether logging on as a designated user or using the "read-only" function) after that date will note that membership information for 2013-14 has been highlighted. While the annual deadline for reporting SIC membership information is not until November 15, designated Member Network users may begin entering their SIC's information now if their SIC conducted spring elections and their membership information is already available. Account users will have to update their log-in and password information for the new school year. Directions for this are available on the SC-SIC Member Network site accessible through http://sic.sc.gov, or by contacting SC-SIC Digital & Web Director Claudia Parnell by email at cparnell@mailbox.sc.edu. Also, if your school is a new or re-organized school not currently listed in the SC-SIC Member Network, email Ms. Parnell to assist you in getting your SIC established in the database.
